In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised to keep a backup of the certificate and also keep the copies at safe place under proper security (for its use in case of emergencies).

2.6 In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate /power of attorney / lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.7 In case of any change in the authorization, it shall be the responsibility of the management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

2.8 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

3 Pre-requisites for online bidding:

In order to operate on the electronic tender management system, a user’s machine is required to be set up. A help file on system setup/Pre-requisite can be obtained from Nextenders (India) Pvt. Guideline for Online Payments in e-tendering

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing). Bidder shall proceed to select the tender he is interested in. On the respective Department’s page in the e-tendering portal, the Bidder would have following options to make payment for tender document & EMD:

A. Debit Card
B. Net Banking
C. RTGS/NEFT

Operative Procedures for Bidder Payments

A) Debit Card

The procedure for paying through Debit Card will be as follows.

(i) Bidder selects Debit Card option in e-Procurement portal.
(ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
(iii) Bidder clicks on “Continue” button
(iv) The e-Procurement portal takes the bidder to Debit Card payment gateway screen
(v) Bidder enters card credentials and confirms payment
(vi) The gateway verifies the credentials and confirms with “successful” or “failure” message, which is confirmed back to e-Procurement portal.
(vii) The page is automatically routed back to e-Procurement portal
(viii) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
(ix) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

B) Net Banking

The procedure for paying through Net Banking will be as follows.

(i) Bidder selects Net Banking option in e-Procurement portal.
(ii) The e-Procurement portal displays the amount to be paid by bidder.
(iii) Bidder clicks on “Continue” button
(iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks
(v) Bidder chooses his / her Bank
(vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank
(vii) Bidder enters his account credentials and confirms payment
(viii) The Bank verifies the credentials and confirms with “successful” or “failure” message to the Net Banking gateway which is confirmed back to e-Procurement portal.
(ix) The page is automatically routed back to e-Procurement portal
(x) The status of the payment is displayed as “successful” in e-Procurement portal.
(xi) The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same. (xii) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

C) RTGS/NEFT

The bidder shall have the option to make the EMD payment via RTGS/NEFT. Using this module, bidder would be able to pay from their existing Bank account through RTGS/NEFT. This would offer a wide reach for more than 90,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

(i) Bidder shall log into the client e-procurement portal using user id and password as per existing process and selects the RTGS/NEFT payment option.
(ii) Upon doing so, the e-procurement portal shall generate a pre-filled challan. The challan will have all the details that is required by the bidder to make RTGS-NEFT payment.
(iii) Each challan shall therefore include the following details that will be pre-populated:
   • Beneficiary account no: (unique alphanumeric code for e-tendering)
   • Beneficiary IFSC Code:
   • Amount:
   • Beneficiary bank branch:
   • Beneficiary name:
iv. The Bidder shall be required to take a print of this challan and make the RTGS/NEFT on the basis of the details printed on the challan.

v. The bidder would remit the funds at least T + 1 day (Transaction + One day) in advance to the last day and make the payment via RTGS / NEFT to the beneficiary account number as mentioned in the challan.

vi. Post making the payment, the bidder would login to the e-Tendering portal and go to the payment page. On clicking the RTGS / NEFT mode of payment, there would be a link for real time validation. On clicking the same, system would do auto validation of the payment made.

D) Over-the-Counter (OTC)

This solution shall allow the bidder having account with ICICI Bank, to make the payment from any CMS enabled Branch of ICICI Bank in India. Bidders can make the payment via cash(if amount is<= ₹ 49,999), Demand Draft or ICICI Bank Cheque.

The procedure for paying through OTC mode is as follows:

(i) Bidder selects Over-the-Counter remittance option in e-Procurement portal.

(ii) The e-Procurement portal displays the amount to be paid. Bidder chooses the bank account no. for refund of the amount.

(iii) Bidder clicks on “Continue” button

(iv) The e-Procurement portal displays the details of payment. Bidders clicks on “print challan” and prints the OTC challan.

(v) Bidder submits the OTC challan at the counter of any designated branch of ICICI Bank with Cash / Demand Draft / ICICI Bank Cheque (Payment in cash is allowed upto Rs. 49,999/-)

(vi) ICICI Bank verifies the URN (format to be discussed and decided) and Amount with e-Procurement portal prior to accepting the payment

(vii) On successful verification from e-Procurement portal, ICICI Bank accepts the payment. In case of failure, ICICI Bank shall return back the OTC challan and payment to the Bidder.

(viii) ICICI Bank will commit the payment transaction (in case of successful verification from e-Procurement portal) and sends the Bank Transaction Number (I-Sure Reference Number) online against the URN and Amount.

(ix) ICICI Bank will generate receipt for the payment transaction and issues the same to the Bidder.

(x) The e-Procurement system updates the bank transaction number against the URN and Amount based on details sent by ICICI Bank online prior to generation of receipt.

(xi) The status of payment will be displayed as “verification successful” in e-Procurement portal, when the bidder clicks on verification option in the portal

(xii) Bidder would be required to upload the scanned copy of receipt as received from ICICI Bank as part of proof in Nextender portal before submitting the tender.

A. GENERAL

1 Scope of Bid

1.1 The Employer (named in Appendix to ITB) invites bids for the construction of works (as defined in these documents and referred to as “the works”) detailed in the table given in IFB. The bidders may submit bids for any or all of the works detailed in the table given in ITB.

1.2 The successful bidder will be expected to complete the works by the intended completion date specified in the Contract data.

1.3 Throughout these bidding documents, the terms ‘bid’ and ‘tender’ and their derivatives (bidder/tenderer, bid/tender, bidding/tendering, etc.) are synonymous.

2 Source of Funds

2.1 The expenditure on this project will be met from the SUPVA, Rohtak.

3 Eligible Bidders.

3.1 This Invitation for Bids is open to all bidders who fulfill the qualification criteria.

4 Qualification of the Bidder (Applicable for contract(s)).

4.1 All bidders shall provide in Section-2, Forms of Bid and Qualification Information a preliminary description of the proposed work method and schedule, including drawing and charts, as necessary. The proposed methodology should include programme of construction backed with equipment planning and deployment duly supported with broad calculations and quality assurance procedures proposed to be adopted justifying their capability of execution and completion of work as per technical specifications, within stipulated period of completion.

4.2 Deleted

4.3 All bidders shall include the following information and documents with their bids in Section 2:

a) copies of original documents defining the constitution or legal status, place of registration, Pan Card and principal place of business, written power of attorney of the signatory of the Bid to commit the Bidder.

b) total monetary value of work performed for each of the last seven years.

c) Experience in works of similar nature (defined as billing for work in progress and completed in all cases of Buildings, Bridges, ROB’s and RUB’s only) and size for each of the last seven years and details of work underway or contractually committed, and clients who may be contacted for further information on those contracts.

d) major items of construction equipment proposed to carry out the Contract.

e) qualifications and experience of key site management and technical personnel proposed for Contract:

f) Reports on the financial standing of Bidder, such as profit and loss statements and auditor’s reports for the past seven years.

g) evidence of access to line(s) of credit and availability of other financial resources facilities (25% of contract value), certified by the Bankers (Not more than 6 months old).

h) undertaking that the bidder will be able to invest a minimum cash upto 25% of contract value of work, during implementation of work.

i) authority to seek references from the Bidder’s bankers;

j) information regarding any litigation, current or during the last five years, in which the Bidder is involved, the parties concerned, and disputed amount;

k) proposals for subcontracting components of the works amounting to more than 20 per cent of the Bid Price (for each, the qualifications and experience of the identified sub-contractor in the relevant field should be annexed); and
the proposed methodology and programme of construction, backed with equipment planning and
deployment, duly supported with broad calculations and quality control procedures proposed to be
adopted, justifying their capability of execution and completion of the work as per technical
specifications within the stipulated period of completion as per milestones.

4.4 Bids from Joint ventures are not acceptable.

4.5 Qualification Criteria

4.5A. To qualify for award of the contract, each bidder in its name should have in the last seven
years as referred to in Appendix.

a) The applicant should have experience of having successfully completed similar works
during last seven years ending last day of month.

This should be certified by an officer not below the rank of Executive Engineer/Project Manager or equivalent.

b) The applicant should have minimum Average Annual financial turnover during the last
3 years, ending 31st March of the previous financial year, should be at least 30% of the
estimated cost. This should be duly audited by a Chartered Accountant (10% compounded value per year to be added)

c) The applicant should have not incurred any loss in more than two years during the last
five years ending last day of tender duly certified by the Charted Accountant.

d) The contractor or his identified sub-contractor should possess required experience in
furniture works.

e) The applicant’s performance for each work completed in the last three years and in hand
should be certified by an officer not below the rank of Executive Engineer/Project manager
or equivalent and should be obtained in sealed cover.

B. Each bidder should further demonstrate:

(a) Availability (either owned or leased) of the key and critical equipment to attain the
completion of works in accordance with the prescribed construction schedule are shown in
the Annexure-I.

The bidders should, however, undertake their own studies and furnish with their bid, a
detailed construction planning and methodology supported with layout and necessary
drawings and calculations (detailed) as stated in clause 4.3(i) above to allow the employer
to review their proposals. The numbers, types and capacities of each plant/equipment shall
be shown in the proposals along with the cycle time for each operation for the given
production capacity to match the requirements. If the contractual agency fails to bring
any of the quality control lab equipment as mentioned in Annexure-I, the item will be
arranged by SUPVA, Rohtak and recovery shall be made from the contractor’s bill @
double the cost of that item.

(b) Availability for this work of personnel with adequate experience as required; as per
Annexure-II.

(c) liquid assets and/or availability of credit facilities of not less than amount indicated
in Appendix.
C. To qualify for a package of contracts made up of this and other contracts for which bids are invited in the IFB, the bidder must demonstrate having experience and resources sufficient to meet the aggregate of the qualifying criteria for the individual contracts.

4.6. Sub-contractors’ experience and resources shall not be taken into account in determining the bidder’s compliance with the qualifying criteria except to the extent stated in 4.5 (A) above.

4.7. **Bid Capacity**
Bidders who meet the minimum qualifications criteria shall be qualified only if their available bid capacity for construction work is equal to or more than the total bid value.

4.8 Even though the bidder met the above qualifying criteria, they are subject to be disqualified if they have:
- made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or.
- record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc; and/or.
- participated in the previous bidding for the same work and had quoted unreasonably high bid prices and could not furnish rational justification to the employer.

The bidder who had abandoned the work or his contract was rescinded or was terminated due to non completion of work/or any other default on the part of the contractor in three or more contracts during last five years shall be considered as non performer and no work will be allotted to him. No specific order for department shall be needed for this purpose.
In case the number of contracts where the work has been abandoned by the contractor of his contract was rescinded or terminated in less than 3 works, he is required to submit additional 10% (Ten percent) performance security over and above what has been stipulated in the bidding document.

5. **One Bid per Bidder.**
5.1 Each bidder shall submit only one bid for one package. A bidder who submits or participates in more than one Bid (other than as a subcontractor or in cases of alternatives that have been permitted or requested) will cause all the proposals with the Bidder’s participation to be disqualified.

6. **Cost of Bidding.**
6.1 The bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible and liable for those costs.
7. Site Visit.
   7.1 The Bidder, at the Bidder’s own responsibility and risk is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder’s own expense.

B. BIDDING DOCUMENTS

8. Content of Bidding Documents.

   8.3. The bidder is expected to examine carefully all instructions, conditions of contract, contract data, forms, terms, technical specifications, bill of quantities, forms, Annexes and drawings in the Bid Document. Failure to comply with the requirements of Bid Documents shall be at the bidder’s own risk. Pursuant to clause 26 hereof, bids which are not substantially responsive to the requirements of the Bid documents shall be rejected.

9. Clarification of Bidding Documents.
   9.1. A prospective bidder requiring any clarification of the bidding documents may notify the Employer in writing or by cable (hereinafter “cable” includes telex and facsimile) at the Employer’s address indicated in the invitation to bid. The Employer will respond to any request for clarification which he received earlier than 15 days prior to the deadline for submission of bids. Copies of the Employer’s response will be forwarded to all purchasers of the bidding documents, including a description of the enquiry but without identifying its source.

9.2 Pre-bid meeting
   9.2.1 In case of works with DNIT amount above Rs. 10.00 crores, a pre-bid meeting shall be held at __________ on __________.

   9.2.2. The purpose of the meeting will be to clarify issues and to answer questions for clarification of any doubts on any provision of the contract or on any matter that may be raised at that stage.

   9.2.3. The bidder is requested to submit any questions in writing or by cable to reach the Employer not later than one week before the meeting.

   9.2.4. Minutes of the meeting, including the text of the questions raised (without identifying the source of enquiry) and the responses given will be transmitted without delay to all purchasers of the bidding documents and a copy placed on departmental website. Any modification of the bidding documents listed in Sub-Clause 8.1 which may become necessary as a result of the pre-bid meeting shall be
made by the Employer exclusively through the issue of an Addendum pursuant to Clause 10 and not through the minutes of the pre-bid meeting.

9.2.5. Non-attendance at the pre-bid meeting will not be a cause for disqualification of a bidder.

10. Amendment of Bidding Documents.
10.1 Before the deadline for submission of bids, the Employer may modify the bidding documents by issuing addenda.

10.2. Any addendum thus issued shall be part of the bidding documents and shall be communicated in writing or by cable to all the purchasers of the bidding documents. Prospective bidders shall acknowledge receipt of each addendum in writing or by cable to the Employer. The Employer will assume no responsibility for postal delays.

10.3. To give prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer may, at his discretion, extend as necessary the deadline for submission of bids, in accordance with Sub-Clause 20.2 below.

C. PREPARATION OF BIDS

11. Language of the Bid
11.1 All documents relating to the bid shall be in the English language.

12. Documents Comprising the Bid.
12.1 The bid to be submitted by the bidder (refer Clause 8.1) shall be in two separate parts:
Part-I shall be named “Technical Bid” which will be submitted online except those documents to be submitted in physical form.
(i) For bidding documents downloaded from website (refer IFB), the cost of bidding document will be paid online.
(ii) Bid Security in the form specified in Section 8.
(iii) Qualification Information and supporting documents as specified in Section-2.
(iv) Certificate, undertakings, affidavits as specified in Section 2.
(v) Information pursuant to Clause 4 of these instructions.
(vi) Undertaking that the bid shall remain valid for the period specified in Clause 15.1.

Part-II shall be named “ Financial Bid” and shall comprise.
(i) Form of Bid as specified in Section 6.
(ii) Priced Bill of Quantities for items specified in Section 7.

Both bids will be submitted online in accordance with Clause 19.

12.2. Following documents, which are not submitted with the bid, will be deemed to be part of the bid.

D. SUBMISSION OF BIDS

19.1. Technical bid: to be opened according to key dates as mentioned on page No. 5 of this tender document (date & time of technical bid opening as per clause 23.1 of ITB)

   Financial Bid; to be announced later. The contents of Technical and Financial Bids will be as specified in clause 12.1

19.2. Deleted

19.3. In addition to the identification required in Sub-Clauses 19.1, the envelope containing EMD and Performance guarantee shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared late, or the Evaluation Committee declares the bid as non responsive pursuant to Clause 23.

19.4. If the envelope is not sealed and marked as above, the Registrar, SUPVA, ROHTAK will assume no responsibility for the misplacement or premature opening of the bid.

20. Deadline for Submission of the Bids

20.1 Deleted

20.2. The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 10, in which case all right and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

21. Late Bids

21.1 Any Bid received by the Employer after the deadline prescribed in Clause 20 will be returned unopened to the bidder.

22. Modification and Withdrawal of Bids

Deleted.
E. BID OPENING AND EVALUATION

23. **Bid Opening**

23.1. The Registrar, SUPVA, ROHTAK will open all the Bids received (except those received late), including modifications made pursuant to Clause 22, in the presence of the Bidders or their representatives who choose to attend at time, date and the place specified in Appendix in the manner specified in Clause 23.3. In the even of the specified date of Bid opening being declared a holiday, the Bids will be opened at the appointed time and location on the next working day.

23.2. **Deleted.**

23.3. The “Technical Bid” shall be opened first.

23.4. The amount of earnest money, forms and validity shall be announced. Thereafter, the bidders’ names and such other details as the Employer may considered appropriate, will be announced by the Registrar, SUPVA, ROHTAK at the opening.

23.5. Evaluation of the technical bids with respect to bid security, qualification information and other information furnished pursuant to clause 12.1 of ITB shall be taken up and completed on the date of bid opening and a list will be drawn up of the responsive bids whose financial bids are eligible for consideration.

23.6. The date & time of opening of the Financial Bid will be as mentioned in the table.

23.7. At the time of opening of “Financial Bid”, the names of the bidders whose bids were found responsive in accordance with Clause 23.4 will be announced. The bids of only those bidders will be opened. The responsive Bidders ‘ names, the Bid prices, the total amount of each bid, any discounts and such other details as the Employer may consider appropriate, will be announced by the Registrar, SUPVA, ROHTAK at the opening. Any Bid price or discount, which is not read out and recorded, will not be taken into account in Bid Evaluation.

23.8. The I/c UEW will prepare the minutes of the bid opening including the information disclosed to those present in accordance with sub clause 23.6.

24. **Process to be Confidential**

24.1. Information relating to the examination, clarification, evaluation, and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any efforts by a Bidder to influence the Registrar, SUPVA, ROHTAK processing of Bids or award decisions may result in the rejection of his Bid.

25. **Clarification of Financial Bids**

25.1. To assist in the examination, evaluation, and comparison of Bids, the Registrar may, at his discretion, ask any Bidder for clarification of his Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Registrar in the evaluation of the Bid in accordance with Clause 27.

25.2. Subject to sub-clause 25.1, no Bidder shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, it should do so in writing.
25.3. Any efforts by the Bidder to influence the Registrar/In-charge UEW, SUPVA, ROHTAK in the Employer’s bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidders’ bid.

26. Examination of Bids and Determination of Responsiveness

26.1. During the detailed evaluation of “Technical Bids”, the I/c UEW will determine whether each Bid (a) meets the eligibility criteria defined in Clause 3 and 4; (b) has been properly signed; (c) is accompanied by the required securities and; (d) is substantially responsive to the requirements of the Bidding documents. During the detailed evaluation of the “Financial Bid”, the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e. priced bill of quantities, technical specifications, and drawings.

26.2. A substantially responsive “Financial Bid” is one which conforms to all the terms, conditions, and specifications of the Bidding documents, without material deviation or reservation. A material deviation of reservation is one (a) which effects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Registrar right or the Bidder’s obligations under the Contract; or (c) whose rectification would effect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

26.3. If a “Financial Bid” is not substantially responsive, it will be rejected by the Registrar, SUPVA, Rohtak and may not subsequently be made responsible by correction or withdrawal of the non-conforming deviation or reservation.

27. Correction of Errors.

27.1. “Financial Bids” determined to be substantially responsive will be checked by the I/c UEW, SUPVA, Rohtak for any arithmetic errors. Errors will be corrected by the Employer as follows:
(a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern; and
(b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

27.2. The amount stated in the “Financial Bid” will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder in the following manner.
(a) If the Bid price increases as a result of these corrections, the amount as stated in the bid will be the ‘bid price’ and the increase will be treated as rebate;
(b) If the bid price decreases as a result of the corrections, the decreased amount will be treated as the ‘bid price’
Such adjusted bid price shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount the Bid will be rejected, and the Bid security may be forfeited in accordance with Sub-Clause 16.6 (b).

28. Deleted

29.1. The I/c UEW will evaluate and compare only the Bids determined to be substantially responsive in accordance with Sub-Clause 26.2.

29.2. In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:

(a) Making any correction for errors pursuant to Clause 27; or
(b) Making an appropriate adjustment for any other acceptable variations, deviations; and
(c) Deleted

29.3. The Registrar, SUPVA, Rohtak reserves the right to accept or reject any variation or deviation. Variations and deviations and other factors, which are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the Employer shall not be taken into account in Bid evaluation.

29.4. The estimated effect of the price adjustment conditions under Clause-47 of the Conditions of Contract, during the period of implementation of the Contract, will not be taken into account in Bid evaluation.

29.5. If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer’s estimate of the cost of work to be performed under the contract, the I/c UEW may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the performance security set for the in Clause 34 be increased at the expense of the successful Bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful Bidder under the Contract.

29.6. A bid which contains several items in the Bill of Quantities which are unrealistically priced low and which cannot be substantiated satisfactorily by the bidder, may be rejected as non-responsive.

30. Deleted

F. AWARD OF CONTRACT

31. Award Criteria

31.1 Subject to Clause 32, the Registrar, SUPVA, Rohtak will award the Contract to the Bidder whose Bid has been determined.

(i) to be substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price; and

(ii) to be within the available bid capacity adjusted to account for his bid price which is evaluated the lowest in any of the packages opened earlier than the one under consideration.

In no case, the contract shall be awarded to any bidder whose available bid capacity is less than the evaluated bid.

32. Employer’s right to accept any Bid and to reject any or all Bids

32.1. Notwithstanding Clause 31, the Employer reserves the right to accept or reject any Bid, and to cancel the Bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the effected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer action.

32.2 Normally, the lowest responsive tender (L1) shall be accepted unless there is some valid objection like, his record of failure in execution of formal works or his rates being abnormally low and nor workable, etc.

32.3 Tenders shall be accepted in accordance with the delegation of the powers under Departmental Financial Rules (DFR).

33. Notification of Award and Signing of Agreement

33.1. The Bidder whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the “Letter of Acceptance”) will state the
33.2. The notification of award will constitute the formation of the Contract, subject only to the furnishing of performance security in accordance with the provisions of Clause 34.

33.3. The agreement will incorporate all agreements between the Employer and the successful Bidder. It will be signed by the Employer and sent to the successful Bidder, within 28 days following the notification of award along with the Letter of Acceptance. Within 21 days of receipt, the successful Bidder will sign the Agreement and deliver it to the Employer.

33.4. Upon the furnishing by the successful Bidder of the Performance Security, the Registrar will promptly notify the other Bidders that their Bids have been unsuccessful.

33.5 If the lowest tenderer (L-1) backs out, his earnest money shall be forfeited, the agency will be debarred for giving tenders for one year and the second lowest tenderer(L-2), third lowest tenderer (L-3) in order of sequence, may be called upon to bring his offer to the same level as the originally first lowest tenderer. In the event of their refusal to do so, tenders shall be recalled. In case of great urgency, authority competent to accept the tender may authorize call of limited or short notice tenders.

34. **Performance Security**

34.1. Within 21 days of receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Registrar a Performance Security in any of the forms given below for an amount equivalent to 5% of the Contract price plus additional security for unbalanced or front loaded tenders in accordance with Clause 29.5 of ITB to be kept as a surety that the contractor completes the work satisfactory. The performance security will be valid upto the end of the defect liability period+45 days or as prescribed in the contract data. In case, the time of completion is enlarged, the validity of the guarantee shall be correspondingly extended. It carries no interest and is refunded to the contractor after the date specified in the contract.
   - a bank guarantee in the form given in Section 8; or
   - certified Bank Draft as indicated in Appendix.

34.2. If the performance security is provided by the successful Bidder in the form of a Bank Guarantee, it shall be issued either (a) at the Bidder’s option, by a Nationalized/Scheduled Indian bank or (b) by a foreign bank located in India and acceptable to the Employer.

34.3. ### F. Special Conditions of Contract
A. GENERAL

1. Definitions

1.1 Terms which are defined in the Control Data are not also defined in the Conditions of Contract but keep their defined meanings. Capital initials are used to identify defined terms.

Bill of Quantities means the priced and completed Bill of Quantities forming part of the Bid.

Compensation Events are those defined in Clause 44 hereunder.

The Completion Date is the date of completion of the Works as certified by the Engineer-in-Charge in accordance with Sub Clause 55.1.

The Contract is the contract between the Employer and the Contractor to execute, complete and maintain the Works. It consists of the documents listed in Clause 2.3 below.

The Contract Data defines the documents and other information which comprise the Contract.

The Contractor is a person or corporate body whose Bid to carry out the Works has been accepted by the Employer.

The Contractor’s Bid is the completed Bidding document submitted by the Contractor to the Employer and includes Technical and Financial bids.

The Contractor Price is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract.

Days are calendar days; months are calendar months.

A Defect is any part of the Works not completed in accordance with the Contract.

The Defects Liability Period is the period named in the Contract Data and calculated from the Completion Date.

The Employer is the party who will employ the Contractor to carry out the Works.

The Engineer is the person named in the Contract Data (or any other competent person appointed and notified to the contractor to act in replacement of the Engineer-in-Charge) who is responsible for supervising the Contractor, administering the Contract, certifying payments due to the Contractor, issuing and valuing Variations to the Contract, awarding extensions of time, and valuing the Compensation Events.

Equipment is the Contractor’s machinery and vehicles brought temporarily to the Site to construct the Works.

The Initial Contract Price is the Contract Price listed in the Employer’s Letter of Acceptance.

The Intended Completion Date is the date on which it is intended that the Contractor shall complete the Works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the Engineer-in-Charge by issuing an extension of time.
Materials are all; supplies, including consumables, used by the contractor for incorporation in the Works.

Plant is any integral part of the Works which is to have a mechanical, electrical, electronic or chemical or biological function.

The Site is the area defined as such in the Contract Data.

Site Investigation Reports are those which were included in the Bidding documents and are factual interpretative reports about the surface and sub-surface conditions at the site.

Specification means the Specification of the Works included in the Contract and any modification or addition made or approved by the Engineer-in-Charge.

The Start Date is given in the Contract Data. It is the date when the Contractor shall commence execution of the works. It does not necessarily coincide with any of the Site Possession Dates.

A Subcontractor is a person or corporate body who has a Contract with the Contractor to carry out a part of the Work in the Contract which includes work on the Site.

Temporary Works are works designed, constructed, installed, and removed by the Contractor which are needed for construction or installation of the Works.

A Variation is an instruction given by the Engineer-in-Charge, which varies the Works.

The Works are what the Contract requires the Contractor to construct, install, and turn over to the Employer, as provided in the bid documents, BOQ and drawings etc. and as directed by the Engineer from time to time defined in the Contract Data.

2. Interpretation

2.1 In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance, Words have their normal meaning under the language of the Contract unless specifically defined. The Engineer-in-Charge will provide instructions clarifying queries about the Conditions of Contract.

2.2 It sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion date for the whole of the Works).

2.3 The documents forming the Contract shall be interpreted in the following order or priority:

(1) Agreement.
(2) Letter of Acceptance, notice to proceed with the works.
(3) Contractor’s Bid
(4) Contract Data.
(5) Conditions of Contract including Special Conditions of Contract.
(6) Specifications.
(7) Drawings
(8) Bill of quantities and
(9) Any other document listed in the Contract Data as forming part of the Contract.

3. Language and Law

3.1 The language of the Contract and the law governing the Contract are stated in the Contract Data.
4. **Engineer’s Decisions.**

4.1. Except where otherwise specifically stated, the Engineer will decide contractual matters between the Employer and the Contractor in the role representing the Employer.

5. **Delegation**

5.1. The Engineer may delegate any of his duties and responsibilities to other people except to the Adjudicator after notifying the Contractor and may cancel any delegation after notifying the Contractor.

6. **Communications**

6.1. Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of India Contract Act.).

7. **Sub-contracting**

7.1. The Contractor may sub-contract any portion of work, up to a limit specified in Contract Data, with the approval of the Engineer-in-Charge but may not assign the Contract without the approval of the Employer in writing. Sub-contracting does not alter the Contractor’s obligations.

8. **Other Contractors**

8.1. The Contractor shall cooperate and share the Site with other contractors, public authorities, utilities, and the Employer between the date given in the Schedule of other Contractors. The Contractor shall as referred to in the Contract Data, also provide facilities and services for them as described in the Schedule. The employer may modify the schedule of other contractors and shall notify the contractor of any such modification.

9. **Personnel**

9.1. The Contractor shall employ the key personnel named in the Schedule of Key Personnel as referred to in the Contract Data to carry out the functions stated in the Schedule or other personnel approved by the Engineer-in-Charge. The Engineer-in-Charge will approve any proposed replacement of key personnel only if their qualifications, abilities, and relevant experience are substantially equal to or better than those of the personnel listed in the Schedule. In case of non-employment of key personnel action can be taken as per clause 59 of conditions of contract & deduction will be made from the bills / due payment of the contractor on account of salary per month of key personnel as per Annexure-II of Section-I @ of Rs. 30,000/- P.M for Sr.No.1, Rs. 50,000/- P.M for Sr.No.2 and Rs 1,00,000/- P.M for Sr. No. 3.

9.2. If the Engineer-in-Charge asks the Contractor to remove a person who is a member of the Contractor’s staff or his work force stating the reasons the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the work in the Contract.

10. **Employer’s and Contractor’s Risks.**

10.1. The Employer carries the risks which this Contract states are Employer’s risks, and the Contractor carries the risks which this Contract states are Contractor’s risks.

11. **Employer’s Risks**

11.1. The Employer is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in India, the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor’s employees), and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor’s design.
12. **Contractor’s Risks.**

12.1. All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor.

13. **Insurance.** (For contract(s) above Rs.5.00 crores)

13.1. The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover (contractor all risks policy) from the Start Date to the end of the Defects Liability Period, in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor’s risks:

   (a) loss or damage to the Works, Plant and Materials;
   (b) loss of or damage to Equipment.
   (c) Loss of or damage of property (except the Works, Plant, Materials and Equipment) in connection with the Contract; and
   (d) Personal injury or death.

13.2. Policies and certificates for insurance shall be delivered by the Contractor to the Engineer-in-Charge before the Start Date. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.

13.3 If the Contractor does not provide any of the policies and certificates required, the Employer may effect the insurance which the Contractor should have provided and recover the premiums the Employer has paid from payments otherwise due to the Contractor or, if no payment is due, the payment of the premiums shall be a debt due. 14% Departmental charges over payment of premiums will also be recovered from the contractors.

13.4 Alterations to the terms of an insurance shall not be made without the approval of the Competent authority.

14. **Site Investigation Report.**

14.1. The Contractor, in preparing the Bid, shall rely on any site Investigation Reports referred to in the Contract Data, supplemented by any information available to the Bidder. In case such information is not available in the contract data, the Contractor shall gather such information from the office of Engineer-In-Charge. No claim on account of non-availability will be entertained.

15. **Queries about the Contract Data.**

15.1. The Engineer-in-Charge will clarify queries on the Contract Data.

16. **Contractor to Construct the Works**

16.1. The Contractor shall construct and install the Works in accordance with the Specification and Drawings.

17. **The Works to be Completed by the Intended Completion Date.**

17.1. The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the programme submitted by the Contractor, as updated with the approval of the Engineer-in-Charge, and complete them by the Intended Completion Date.

18. **Approval by the Engineer-in-Charge**

18.1. The Contractor shall submit Specifications and Drawings showing the proposed Temporary Works to the Engineer-in-Charge, who is to approve them if they comply with the Specifications and Drawings.
18.2. The Contractor shall be responsible for design of Temporary Works.

18.3. The Engineer-in-Charge’s approval shall not alter the Contractor’s responsibility for design of the Temporary Works.

18.4. The Contractor shall obtain approval of third parties to the design of the Temporary Works where required.

18.5. All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Engineer-in-Charge before their use.

19. Safety

19.1. The Contractor shall be responsible for the safety of all activities on the Site.

20. Discoveries

20.1. Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the Employer. The Contractor is to notify the Engineer-in-Charge of such discoveries and carry out the Engineer-in-Charge’s instructions for dealing with them.

21. Possession of the Site

21.1. The Employer shall give possession of all parts of the Site to the Contractor. If possession of a part is not given by the date stated in the Contract Data the Employer is deemed to have delayed the start of the relevant activities and this will be Compensation Event.

22. Access to the Site

22.1. The Contractor shall allow the Engineer-in-Charge and any person authorized by the Engineer-in-Charge access to the Site, to any place where work in connection with the Contract is being carried out or is intended to be carried out and to any place where materials or plant are being manufactured/fabricated/assembled for the works.

23. Instructions

23.1. The Contractor shall carry out all instructions of the Engineer-in-Charge pertaining to works which comply with the applicable laws where the Site is located.

24. Dispute Redressal System

24.1 In case of contract(s) of value lesser than Rs.2 cr., the agency will make an appeal to the Appellant Authority i.e. concerned I/c UEW/Registrar who will decide the issue within 90 days. In case of dissatisfaction on the part of the contractor, he can go to Court after the decision of this appeal or after 90 days in case of no decision from the Appellant Authority.

24.2 In case of contract(s) of value more than Rs.2.00 cr. and less than Rs.10.00 cr., the agency will make an appeal to the Appellant Authority i.e. concerned I/c UEW/Registrar who will decide the issue within 90 days. If the contractor is not satisfied with the Appeal, he can go for Arbitration. Adjudication of the dispute shall be done by the three members tribunal with composition as below.

24.3 For disputes relating to contract(s) of value higher than Rs.10 cr., the agency may first appeal to the concerned I/c UEW/Registrar. In case the contractor is not satisfied with the appeal he can go for the Arbitration. The arbitration shall be done by three members tribunal with composition as below.

I. One official member, Chairman of the Tribunal, not below the rank of Chief Engineer (Serving/retired) of the State Govt./State Govt. Undertakings to be appointed by Govt.

B. TIME CONTROL

27. Programme

27.1. Within the time stated in the Contract Data the Contractor shall submit to the Engineer-in-Charge for approval a Programme showing the general methods, arrangements, order, and timing for all the activities in the Works along with monthly cash flow forecast.

27.2. An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.

27.3. The Contractor shall submit to the Engineer-in-Charge, for approval, an updated Programme at intervals no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.

27.4. The Engineer-in-Charge’s approval of the Programme shall not alter the Contractor’s obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.

28. Extension of the Intended Completion Date

28.1. The Engineer shall extend the Intended Completion Date, with approval from authority competent to grant time extension as mentioned in clause 16.16.6 of PWD code through employer, if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost.

The clause 16.16.6 is reproduces as under:-

“16.16.6 The authority competent to technically sanction the estimate shall have the power to grant EOT. However, to check disproportionate EOTs and to ensure uniformity in approach, the Engineer-in-Chief shall issue instructions in this regard from time to time.”

28.2. The Engineer with the approval authority competent to grant time extension as mentioned in clause 16.16.6 of PWD code through employer shall decide whether and by how much to extend the Intended Completion Date within 60 days of the Contractor asking the Engineer-in-Charge for a decision upon the effect of Compensation Events or Variation and submitting full supporting information. If the Contractor has failed to give early warning of a delay or has failed to cooperate in dealing with a delay, the delay by this failure shall not be considered in assessing the new Intended Completion Date.

28.3. The Engineer shall within 40 days of receiving full justification from the contractor for extension of Intended Completion Date refer to the Employer. The Employer shall refer the case to authority competent to grant time extension as per clause 16.16.6 of PWD code within further 14 days for his decision. If the authority competent to grant time extension fails to give his acceptance within next 28 days, the Engineer shall not grant the time extension and the contractor may refer the matter to the Dispute Review System under Clause 24.1. In case the employer happens to be authority competent to grant time extension, he would convey his decision to the Engineer within 42 days.

41. **Cash Flow Forecasts**

41.1. When the Programme is updated, the contractor is to provide the Engineer-in-Charge with an updated cash flow forecast.

42. **Payment Certificates**

42.1. The Contractor shall submit to the Engineer-in-Charge monthly statements of the estimated value of the work completed less the cumulative amount certified previously by 1st week of the month. In case contractor does not submit his bill by 1st week of the month, Engineer-In-Charge shall get the monthly statement of the estimated value of work completed less cumulative amount prepared by the end of third week of the month. This procedure will be followed even if no work is carried out at the site of work.

42.2. The Engineer-in-Charge shall check the Contractor’s monthly statement within 14 days and certify the amount to be paid to the Contractor after taking into account any credit or debit for the month in question in respect of materials for the works in the relevant amounts and under conditions set forth in sub-clause 51(3) of the conditions of contract.

42.3. The value of work executed shall be determined by the Engineer-in-Charge.

42.4. The value of work executed shall comprise the value of the quantities of the Compensation Events.

42.5. The value of work executed shall include the valuation of Variations and Compensation Events.

42.6. The Engineer-in-Charge may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information.

43. **Payments**

43.1. If an amount certified is increased in a later certificate as a result of an award by the Adjudicator or an Arbitrator, the Contractor shall be paid interest @10% per annum upon the delayed payment as set out in this clause. Interest shall be calculated from the date upon which the increased amount would have been certified in the absence of dispute.

43.3. Items of the Works for which no rate or price has been entered in will not be paid for by the Employer and shall be deemed covered by the other rates and price in the Contract.

44. **Compensation Events**

44.1. The following are Compensation Events unless they are caused by the Contractor;

(a) The Employer does not give access to 80% of the Site by the Site Possession Date stated in the Contract Data.

(b) The Employer modifies the schedule of other contractors in a way which affects the work of the contractor under the contract.
(c) The Engineer-in-Charge orders a delay or does not issue drawings, specifications or instructions required for execution of works due to which the work is delayed. However, these can be issued from time to time during the execution of the work.

(d) The Engineer-in-Charge instructs the Contractor to uncover or to carry out additional tests upon work which is then found to have no Defects.

(e) The Engineer-in-Charge does not approve of a subcontract to be let, within 30 days.

(f) Ground conditions are substantially more adverse than could reasonably have been assumed before issuance of Letter of Acceptance from the information issued to Bidders (including the Site Investigation Reports), from information available and from a visual inspection of the site.

(g) The Engineer-in-Charge gives an instruction for dealing with an unforeseen condition, caused by the Employer, or additional work required for safety or other reasons.

(k) The Engineer-in-Charge unreasonably delays issuing a Certificate of Completion.

(l) Other Compensation Events listed in the Contract Data or mentioned in the Contract.

44.2. If a Compensation Event would cause additional cost or would prevent the work being completed before the Intended Completion Date, the Contract Price shall be increased and/or the Intended Completion Date is extended. The Engineer-in-Charge shall decide whether and by how much the Contract Price shall be increased and whether and by how much the Intended Completion Date shall be extended.

44.3. As soon as information demonstrating the effect of each Compensation Event upon the Contractor’s forecast cost has been provided by the Contractor, it is to be assessed by the Engineer-in-Charge and the Contract Price shall be adjusted accordingly. If the Contractor’s forecast is deemed unreasonable, the Engineer-in-Charge shall adjust the Contract Price based on Engineer-in-Charge’s own forecast. The Engineer-in-Charge will assume that the Contractor will react competently and promptly to the event.

44.4. The Contractor shall not be entitled to compensation to the extent that the Employer’s interests are adversely affected by the Contractor not having given early warning or not having cooperated with the Engineer-in-Charge.

45. **Tax**

45.1. The rates quoted by the Contractor shall be deemed to be inclusive of the sales tax /VAT, Labour Cess, Service Tax if any and other taxes that the Contractor will have to pay for the performance of this Contract. The Employer will perform such duties in regard to the deduction of such taxes at source as per applicable law.

46. **Currencies**

46.1. All payments shall be made in Indian Rupees.

47. **Price Adjustment.**

47.1 The rate of cement/steel issued under the authority of Engineer-in-Chief Hr. PW (B&R) Deptt., Chandigarh on the date of receipt of tender shall be considered as base rate. If during execution of the works, the rate of cement/steel increases or decreases, the difference in cost shall be paid/ recouped from the contractor in the bill, as per formula given on contract data at sr.no.23 subject to the following conditions:

47.1.1 The cement/steel will be arranged by the Contractor.

47.1.2 The contractor shall submit original bill/ voucher while claiming the payment for the work done. The bill/ voucher should pertain to the period of original contractual time limit and should correspond with the progress of work. No extra payment due to increase in rate of
cement/steel will be paid if the original bill/ vouchers are not submitted by the agency. No increase in prices of the cement/steel shall be reimbursed to the contractor beyond the original time period allowed for construction as per contract agreement irrespective of extension of time limit granted to the agency for any reason, whatsoever.

47.1.3 After approval of tender, the Contractor shall submit the work programme for execution of work and get it approved from the Engineer-in-Charge in the time limit prescribed in the tender document. The increase in rates of cement/steel shall only be paid if the work is carried out within the prescribed period as per the approved work programme.

47.2 To the extent that full compensation for any rise or fall in costs to the contractor is not covered by the provisions of this or other clauses in the contract, the unit rates and prices included in the contract shall be deemed to include amounts to cover the contingency of such other rise or fall in costs.

48. **Retention Money**

48.1 6% (six percent) retention money shall be deducted from running bills subject to a maximum of 5% of the agreement amount and shall be refunded 50% immediately after completion of work to the satisfaction of Engineer-in-Charge & balance 50% will be released after expiry of the defect liability period. However, retention money can be released against unconditional Bank Guarantee in favour of department valid for 60 days beyond stipulated period as per schedule.

49. **Liquidated Damages (LD)**

49.1. The Contractor shall pay liquidated damages to the Employer at the rate per day stated in the Contract Data for each day that the Completion Date is later than the Intended Completion Date (for the whole of the works or the milestone as stated in the contract data). The total amount of liquidated damages shall not exceed the amount defined in the Contract Data. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages does not affect the Contractor’s liabilities.

49.2. If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer-in-Charge shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate. The Contractor shall be paid interest on the over payment calculated from the date of payment to the date of repayment at the rates specified in Sub Clause 43.1. If the contractor achieves the next milestone in time, then LD imposed will be waived off automatically and payment shall be released without any interest in the next bill due to the contractor.

49.3. If the Contractor fails to comply with the time for completion as stipulated in the tender, then the contractor shall pay to the employer the relevant sum stated in the Contract Data as Liquidated damages for such default and not as penalty for everyday or part of day which shall elapse between relevant time for completion and the date stated in the taking over certificate of the whole of the works on the relevant section, subject to the limit stated in the contract data.

The engineer may, without prejudice to any other method of recovery deduct the amount of such damages from any money due by or to become due to the contractor. The payment or deduction of such damages shall not relieve the contractor from his obligation to complete the works on from any other of his obligations and liabilities under the contract.

52. **Securities**

52.1. The Performance Security (Including additional security for unbalanced bids) shall be provided to the Employer not later than the date specified in the Letter of Acceptance and shall be issued in an amount and form and by a bank or surety acceptable to the Employer, and denominated in Indian Rupees. The Performance Security shall be valid until a date 45 days from the date of expiry of Defects Liability Period and the additional security for unbalanced bids shall be valid until a date 45 days from the date of issue of the certificate of completion.

53. **Deleted**

54. **Cost of Repairs**

54.1. Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Correction Periods shall be remedied by the Contractor at the Contractor’s cost if the loss or damage arises from the Contractor’s act or omissions.

---

**E. FINISHING THE CONTRACT**

55. **Completion**

55.1. The Contractor shall request the Engineer-in-Charge to issue a Certificate of Completion of the Works and the Engineer-in-Charge will do so upon deciding that the Work is completed.

56. **Taking Over**
56.1. The Employer shall take over the Site and the Works within seven days of the Engineer-in-Charge issuing a certificate of Completion.

57. **Final Account**

57.1. The Contractor shall supply to the Engineer-in-Charge a detailed account of the total amount that the Contractor considers payable under the Contract before the end of the Defects Liability Period. However, the final bill of the work will be passed by the Engineers within 90 days from the date of completion. The final account and final bill are different in nature. The Engineer-in-Charge shall issue a Defect Liability Certificate and certify any final payment that is due to the Contractor within 56 days after the end of defect liability period if it is correct and complete. If it is not, the Engineer-in-Charge shall issue within 56 days a schedule that states the scope of the corrections or additions that are necessary. If the Final Account is still unsatisfactory after it has been resubmitted, the Engineer-in-Charge shall decide on the amount payable to the Contractor and issue a payment certificate, within 56 days of receiving the Contractor’s revised account.

58. **Operating and Maintenance Manuals**

58.1. If “as built” Drawing and/or operating and maintenance manuals are required, the Contractor shall supply them by the dates stated in the Contract Data.

58.2. If the Contractor does not supply the Drawings and/or manuals by the dates stated in the Contract Data, or they do not receive the Engineer-in-Charge’s approval, the Engineer-in-Charge shall withhold the amount stated in the Contract Data from payments due to the Contractor.

59. **Termination**

59.1. The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

59.2. Fundamental breaches of Contract include, but shall not be limited to the following:
   
   (a) the Contractor stops work for 20 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer-in-Charge.

   (b) the Engineer-in-Charge instructs the Contractor to delay the progress of the Works and the instruction is not withdrawn within 28 days;

   (c) the Employer or the Contractor is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation;

   (d) a payment certified by the Engineer-in-Charge is not paid by the Employer to the Contractor within 56 days of the date of the Engineer-in-Charge’s certificate;

   (e) the Engineer-in-Charge gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer-in-Charge;

   (f) the Contractor does not maintain a security which is required.

   (g) the Contractor has delayed the completion of milestones by 30 days and

   (h) if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for or in executing the Contract

   (i) Non-employment of key personnel as per clause 9.

   For the purpose of this paragraph “ corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution “ Fraudulent practice: means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at

   artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition."

59.3. When either party to the Contract gives notice of a breach of contract to the Engineer-in-Charge for a cause other than those listed under Sub Clause 59.2 above, the Engineer-in-Charge shall decide whether the breach is fundamental or not.

59.4. Notwithstanding the above, the Employer may terminate the Contract for convenience.
59.5. If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonable possible.

60. Payment upon Termination

60.1. If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer-in-Charge shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. Additional Liquidated Damages shall not apply. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.

60.2. If the Contract is terminated at the Employer’s convenience or because of a fundamental breach of Contract by the Employer, the Engineer-in-Charge shall issue a certificate for the value of the work done, the cost of balance material brought by the contractor and available at site, the reasonable cost of removal of Equipment, repatriation of the Contractor’s personnel employed solely on the Works, and the Contractor’s costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.

61. Property

61.1. All materials on the Site, Plant, Equipment, Temporary Works and Works are deemed to be the property of the Employer, if the Contract is terminated because of a Contractor’s default.

62. Release from Performance

62.1. If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of either the Employer or the Contractor the Engineer-in-Charge shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which commitment was made.

F. SPECIAL CONDITIONS OF CONTRACT

An interest bearing mobilization advance up to the extent of 5% of contract value (or such limit as prescribed) may be given to contractors for works costing more than Rs.2.00 crores, against unconditional and irrecoverable bank guarantees to be furnished by the contractor equal to the amount of advances paid from time to time. Interest @Prime Lending Rate (PLR) of SBI prevalent at the time of tender per annum shall be charged against the mobilization advance given to the contractor.

The recovery of the mobilization advance together with interest shall be done through percentage deductions from interim/running payments, in the manner prescribed in the contract. It shall be desirable to recover the total amount of mobilization advance along with interest within 80% of the time stipulated for completion. The mobilization bank guarantee shall be released after the recovery of full mobilization advance, including interest thereon.

In case, of slow progress of work, the Engineer-In-Charge comes to a conclusion that the total amount of mobilization advance with interest cannot be recovered by the time 80% of stipulated time is over, the bank guarantee(s) furnished by the contractor may be encashed.

If the tender document so provides, the contractor will have the option to furnish mobilization bank guarantee in parts and on recovering of ¼, ½, ¾ and full advance, proportional bank guarantees can be released.

In case the contractor requires an advance on the security of materials brought to site, Engineer-In-Charge may, on written request from the contractor sanctioned the advance up to an amount 75% or as decided by the Engineer-In-Charge of the value (as assessed by themselves) as stated in the Contract Data of such materials, provided thereof imperishable nature and that a formal agreement is drawn up with the contractors under which Govt. secures a lien on the materials and is safeguarded against losses due to the contractor postponing the execution of the work or misuse of the material and against the expense entailed for their proper watch and safe custody. If the material is fire prone or can be destroyed fully/partially on storage, it shall be desirable to have it first insured by the contractor. Cases in which a contractor, whose contract is for finished work, requires an advance on the security of materials brought to site. Divisional Officer may, on written request from the contractor, sanction the advance up to an amount of 75% or as decided by the competent authority of the value (as assessed by themselves) of such materials, provided they are of an imperishable nature and that a formal agreement is drawn up with the
contractor under which Government secures a lien on the materials and is safeguarded against losses due to the contractor postponing the execution of the work or misuse of the material and against the expense entailed for their proper watch and safe custody. If the materials is fire prone or can be destroyed fully/partially on storage, it shall be desirable to have it first insured by the contractor.

III Machinery Advance

For works costing more than Rs.10.00 crores, or such limit as may be prescribed by the Government from time to time, another interest bearing machinery advance to a maximum of 5% of the contract price, depending on merits of the case, can be given with the approval of the Chief Engineer(Buildings) against the new key construction equipment brought to the site, if a written request is made by the contractor.

The advance shall be paid only upon the contractor furnishing (i) an affidavit that the machinery in question is free of any charge or hypothecation with any bank or financial institution; (ii) unconditional and irrecoverable bank guarantee(s) (iii) satisfactory proof of purchase/payment of the machinery, and (iv) a written undertaking that the equipment so purchased by him is required for use on the work in question, is fully serviceable shall work only on that job and shall not be removed from the site without obtaining written approval of the Engineer-In-Charge. The recovery of machinery advance and the interest to be charged thereon shall be as per tender document. Interest @Prime Lending Rate (PLR) of SBI prevalent at the time of tender per annum shall be charged against the machinery advance given to the contractor.

The recovery of the machinery advance together with interest shall be done through percentage deductions from interim/running payments, in the manner prescribed in the contract. It shall be desirable to recover the total amount of machinery advance along with interest within 80% of the time stipulated for completion. The mobilization bank guarantee shall be released after the recovery of full machinery advance, including interest thereon.

IV Bank Guarantees

The bank guarantee shall be unconditional, requiring the bank to pay the beneficiary the sum specified in the guarantee on the first demand and without demur, and without reference to the party on whose behalf it has been issued, notwithstanding any dispute or disagreement that might have arisen between the employer and the contractor. The form of bank guarantee shall be prescribed by the departments.

It shall be the duty of the Engineer-In-Charge to obtain independent confirmation about the genuineness of the bank guarantees directly from the bank issuing them. Further, he shall keep them in safe custody and hand them over to his successor when a change of charge takes place. Details of bank guarantees shall be entered into a register which shall be reviewed every
month to ensure timely action in respect of renewal of any guarantee, if required, before it expires

(The advance payment will be paid to the Contractor no later than 28 days after fulfillment of the above conditions)

30 Deleted.

31 Always provided that the advance shall be completely repaid prior to the expiry of the original time for completion pursuant to clauses 17 and 28.

**Repayment of Secured advance.**

32. The advance shall be repaid from each succeeding monthly payments to the extent materials [for which advance was previously paid pursuant to Clause 51.4 of G.C.C.] have been incorporated into the Works.

   The Securities shall be for the following minimum amounts equivalent as a percentage of the Contract Price

   Performance Security for 5 per cent of contract price plus Rs.………………… (to be decided after evaluation of the bid) as additional security in terms of ITB Clause 29.5.

33. The standard form of Performance Security acceptable to the Employer shall be an *unconditional* Bank Guarantee of the type as presented in Section 8 of the Bidding Documents.

34. The date by which “as-built” drawings including PH/EI fixations (in scale as directed) in 2 sets are required is within 28 days of issue of certificate of completion of whole or section of the work, as the case may be.

35. The amount to be withheld for failing to supply “as-built” drawings by the date required is 1% of the contract value.

36. The following events shall also be fundamental breach of contract:

   “The Contractor has contravened Sub-clause 7.1 and Clause 9 of conditions of contract.”

37. The Contractor has contravened Sub-clause 7.1 and Clause 9.0 of GCC.

   If the Contract is terminated on account of fundamental breach of Contract by the Contractor, then the additional penalty for not completing the work shall be 20 percent of the value of the work not completed in addition to the Liquidated damages. [Cl:60]

   (To be calculated as per Clause 25 of contract date)
SECTION – 5
